UVODNA RIJEČ DIREKTORA

Poštovani dioničari i poslovni partneri,

Zadovoljstvo mi je saopštiti da je Union banka d.d. Sarajevo zadržala trend stabilnog poslovanja i tokom 2010. godine. Negativni efekti globalne ekonomske i finansijske krize odrazili su se i na poslovanje banaka, što je rezultat prenošenja krize s realnog na bankarski sektor. Negativni efekti su se najviše odrazili na ključnu djelatnost banaka tj. segment kreditnog poslovanja. Smanjenje kreditnih aktivnosti, pad kvaliteta kreditnog portfolia, te porast loših plasmana su imali negativnog uticaja na profitabilnost banaka.

I pored toga što je poslovala u uslovima snažne konkurenkcije, Banka je uspjela ostvariti zadovoljavajuće rezultate i zadržati povjerenje svojih klijenata. Ulaskom u program osiguranja depozita od 01. februara 2010. godine kod Agencije za osiguranje depozita Bosne i Hercegovine, stvorile su se pretpostavke za dalji razvoj i ravnopravno učešće Banke na bankarskom tržištu. U protekloj godini zabilježeno je povećanje bilansne sume kroz porast depozita pravnih i fizičkih lica. Likvidnost Banke, ročna i devizna struktura izvora i plasmana su takođe održavani na zadovoljavajućem nivou.

U nastojanju da svojim klijentima ponudi što kvalitetnije usluge, poduzimane su aktivnosti na uvođenju novih proizvoda. Poslujući u skladu sa usvojenom poslovnom politikom, Banka je posebnu pažnju posvetila praćenju i provođenju adekvatnih mjera u cilju efikasnog upravljanja svim bankovnim rizicima.

Izražavam iskrenu zahvalnost cijenjenim klijentima i svim poslovnim partnerima, koji poslujući sa Bankom daju značajan doprinos ukupnom poslovanju Banke i realizaciji zajedničkih ciljeva.

DIRECTOR'S STATEMENT

Dear Shareholders and Business Partners,

It is my pleasure to inform you that during 2010 Union banka d.d. Sarajevo kept its stability trend. The negative effects of the global financial and economic crisis had also impact on the operations of the banks, because the crisis spreading from the real to the banking sector. The negative effects had most influence on the key activities of the banks, i.e. credit operations segment. The decline in the credit activities, decrease of the credit portfolio quality and the increase of bad investments, negatively affected the profitability of the banks.

Despite a strong and respectable competitive environment in which the Bank performed its operations, the Bank succeeded to achieve satisfactory results and kept the confidence of its clients. The admission into deposit insurance program with the Agency for deposit insurance of Bosnia and Herzegovina as of February 1, 2010, provided the Bank the opportunity for an equal banking market participation and further development. During the last year the Bank achieved a growth of the total balance as a result of the increase in deposits of individuals and legal entities. The liquidity of the Bank, the term and currency structure of resources and investments, maintained at satisfactory level.

In order to offer the clients higher quality services, the Bank performed additional activities for introducing new products. The Bank continues to perform its operations in compliance with the approved business policy focussing a special attention on monitoring and applying adequate measures to ensure an efficient management of all bank risks.

Hereby I wish to extend my sincere thanks to all our respectable clients and business partners. By doing business with the Bank, they all provide a great contribution to the entire business activities of the Bank and thereby to the realization of joint goals.

**Izvještaj revizora
dioničarima Union banke d.d. Sarajevo**

Izvještaj nezavisnog revizora

Otvorili smo reviziju priloženih finansijskih izvještaja UNION banke d.d. Sarajevo (u dalnjem tekstu "Banca"), prikazanih na stranicama 6 do 49, koji se sastoje od bilansa stanja na dan 31. decembra 2010. godine, bilansa uspjeha, izvještaja o promjenama na kapitalu i izvještaja o novčanim tokovima za godinu koja je tada završila, te sažetog prikaza značajnih računovodstvenih politika i drugih napomena uz finansijske izvještaje.

Odgovornost Uprave za finansijske izvještaje

Uprava je odgovorna za pripremanje i fer prezentiranje priloženih finansijskih izvještaja u skladu sa Međunarodnim standardima finansijskog izvještavanja. Odgovornosti Uprave obuhvataju: dizajniranje, uspostavljanje i održavanja internih kontrola vezanih za pripremanje i fer prezentiranje finansijskih izvještaja koji ne sadrže materijalno značajne pogreške, bilo zbog prevare ili grešaka; odabir i dosljednu primjenu odgovarajućih računovodstvenih politika; te davanje razboritih računovodstvenih procjena u datim uvjetima.

Odgovornost revizora

Naša je odgovornost izraziti nezavisno mišljenje o priloženim finansijskim izvještajima na temelju naše revizije. Reviziju smo obavili u skladu sa Međunarodnim revizijskim standardima. Navedeni standardi zahtijevaju da postupamo u skladu s etičkim pravilima te da reviziju planiramo i obavimo kako bismo se u razumnoj mjeri uvjerili da finansijski izvještaji ne sadrže materijalno značajne pogreške.

Revizija uključuje primjenu postupaka kojima se prikupljaju revizijski dokazi o iznosima i drugim podatcima objavljenim u finansijskim izvještajima. Odabir postupaka zavisi od prosudbe revizora, uključujući i procjenu rizika materijalno značajnog pogrešnog prikaza finansijskih izvještaja, bilo kao posljedica prevare ili pogreške. U procjenjivanju rizika, revizor procjenjuje interne kontrole koje su relevantne za sastavljanje te objektivno prezentiranje finansijskih izvještaja kako bi odredio revizijske postupke primjerene datim okolnostima, a ne kako bi izrazio mišljenje o učinkovitosti internih kontrola u Banci. Revizija također uključuje i ocjenjivanje primjerenosti primjenjenih računovodstvenih politika te značajnih procjena Uprave, kao i prikaza finansijskih izvještaja u cjelini.

Uvjereni smo da su revizijski dokazi koje smo prikupili dostatni i primjereni kao osnova za izražavanje našeg mišljenja.

Mišljenje

Po našem mišljenju, finansijski izvještaji prikazuju objektivno, u svim materijalno značajnim stavkama, finansijski položaj Banke na dan 31. decembra 2010. godine, te rezultate njenog poslovanja i promjene u novčanom toku za godinu koja je tada završila, u skladu s Međunarodnim standardima finansijskog izvještavanja („MSFI“).

To the shareholders of Union Bank d.d., Sarajevo
Independent Auditor's Report

We have audited the accompanying financial statements of Union Bank d.d. Sarajevo ("the Bank"), set out on pages 6 to 48, which comprise the balance sheet as at 31 December 2010, and the income statement, statement of changes in equity and cash flow statement for the year then ended, and a summary of significant accounting policies and other explanatory notes.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with International Financial Reporting Standards. This responsibility includes: designing, implementing and maintaining internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error; selecting and applying appropriate accounting policies; and making accounting estimates that are reasonable in the circumstances.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with International Standards on Auditing. Those standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the Company's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements present fairly, in all material respects, the financial position of the Company as at 31 December 2010, and the results of its operations and its cash flows for the year then ended in accordance with International Financial Reporting Standards („IFRS“).
